### The Turning Point: Endings that Spark Beginnings

*“Many shall be purified, and be white and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand.”*

(Daniel 12:10, NKJV)

#### I. The Whispers of God

God has changed His operating and delivery system in communicating with His people. We are in a time like Elijah when he was looking for the Lord to come in the shout, in an earthquake, in a lightning strike, or some other extreme or familiar way. But behold, the Holy Spirit is coming in His whispers, and we will respond in humility and worship. We must lean into Him, but He will come. Yes, even like in 2 Samuel 5:24 when the wind of God appears in the tops of the mulberry trees.

##### A. Properly Discerning the Pattern of Exposure.

In the civil calendar, we just completed the year 2024 and we have turned the corner into 2025 – a year of double grace. This last fall we crossed over into the Hebrew Year of “5785.” We have been in the pattern towards a Psalm 24 revival, but it has looked different than what we expected. Before we may ascend into the Higher Place, we must embrace a greater purification.

*“Who may ascend into the hill of the Lord? Or who may stand in His holy place? He who has clean hands and a pure heart, who has not lifted up his soul to an idol, nor sworn deceitfully. He shall receive blessing from the Lord, and*

*righteousness from the God of his salvation.” (Psalm 24:3–5)*

**B. The Time of Great Exploits – The Book of Daniel Is Unsealed.**

**A Dream where the Book of Daniel Was Unsealed:**

I have received repeated detailed dreams where an ornate box has been given to me with a key to insert into it and open it up. When I did so, there appeared to be a latchet upon a parchment of the Book of Daniel. I felt the Holy Spirit indicate that the seal was being broken off the Book of Daniel and fresh revelation was being granted upon these ancient writings. With each dream, my heart and mind were illuminated with greater insight into the mysteries of God to create an increased capacity for doing exploits for God’s Kingdom. *“And he said, ‘Go your way, Daniel, for these words will be kept secret and sealed up until the end time.’” (Daniel 12:9)*

**C. When an Esther Moment becomes a Mordecai and Esther Movement**

The timing of this year’s New Hebrew Year, Rosh Hashanah, followed by the Ten Days of Awe and the culmination of the Day of Atonement, was indeed strategic. It produced a Great Seismic Shift in the Body of Christ and the course of the United States of America. We stand at a time when an Esther Moment has become a Mordecai and Esther Movement. The Lord saw the combination of humility and boldness that took place at the One Million Women Gathering in Washington, DC.

\* Lou Engle is calling for a 21-day Daniel’s Fast from January 1 to January 21 to secure the New Administration of President Trump for the United States of America.

**II. Today’s Prophetic Timeline**

**A. The Longest War in Israel’s Modern History.**

**People ask me: “Where are we today in the prophetic timeline?”**

I direct them right to Psalm 83:3–4 that was used by Hamas as their opening declaration on their Charter. It vividly states, “They make shrewd plans against Your people, and conspire together against Your treasured ones. They have said, ‘Come, and let’s wipe them out as a nation, so that the name of Israel will no longer be remembered.’”

This is where we live today. This is the blatant savage goal of Jewish hatred in the day in which we live. Biblical history is being fulfilled right before our very eyes. But God has His plan even in the midst of evil. In fact, there is a cover-up in the way we incorrectly use the term “antisemitism.”

The semitic people means “relating to the peoples who speak Semitic languages, especially Hebrew and Arabic,” so this is basically *all* of the people of the Middle East. We hide under our terminology and are afraid to call this bigoted racism what it really is. We need to be more exact and call it what it is: Jewish Hatred.

\* **Man’s Evil Plans are going to be exposed.** And as in the Book of Esther, Haman is going to be hung on his own gallows once again.

## B. **The Parallel Movements of the Holy Spirit – Natural and Spiritual.**

In 1967, when there was War in Israel and the Middle East, there were three movements that came forth in the Global Body of Christ:

1. The Charismatic Movement
2. The Jesus People
3. The Messianic Movement.

What will happen in response to the bloodshed and Israel’s longest war in modern history this time?

- a. I believe we are on the brink of multiple movements of the Holy Spirit being birthed globally! This is a Global Harvest moment. It is and will be the greatest Youth Awakening the world has ever seen.

- b. University Campus Jesus Movements of radical worship, followed by water baptism, baptism of the Holy Spirit resulting in a baptism of fire and a dramatic baptism of deliverance has started, and will continue. I have had dreams where I saw this spreading globally across major university campuses.
- c. Mosques and Minarets will become tokens of 24/7 houses of worship and prayer where the One True God is worshiped, and Allah is not heralded as His name.

**C. The Hour of Great Trial Will Result in the Hour of Great Compassion.**

- 1. In the Last Days, difficult times will come. Light shines the brightest in times of darkness. The question is, “What will we do in those times?”

Daniel 12:3 states, “And those who have insight will shine like the glow of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.”

Recently the Holy Spirit spoke the following phrase to me, “The Hour of Great Trial will result in the Hour of Great Compassion.” Government agencies will fail to be the answer, but the Body of Christ will arise bearing healing gifts as they know how to love.

- 2. **Disaster relief will become a necessary part of every ministry.** Prayer tents of worship will be set up where hurting people will come in and receive comfort, belonging and healing for their body and soul. The three-cord strand of faith, hope, and love will come together, resulting in equipping and multiplication. Miracles will follow those who will go to the frontlines of God’s End Time Crisis Army.

**D. Birthing of PrayForTheProphets.com and HonorTheProphets.com.**

- 1. **The Birthing of an International Day of Prayer for the Prophets.**

We desire to change the culture in the Body of Christ from one of dishonor to one of honoring the prophets. With the conviction that prayer changes

things, we will begin with this yearly call on the third Friday in July as a day of prayer with fasting to pray for the prophets.

*“Surely the Lord God does nothing unless He reveals His secrets to His servants the prophets.” (Amos 3:7)*

*“So they were offended at Him. But Jesus said to them, ‘**A prophet is not without honor except in his own country and in his own house.**’” (Matthew 13:57)*

## 2. **Prayer for the Prophets Event Details:**

- a. The theme Scripture: Amos 3:7.
- b. The annual date: The third Friday in July. (July is the seventh month.)
- c. What: Establishing and distributing a 10-day prayer guide on how to pray for our prophets.
- d. **Initiated by** GEM’s Global Prayer Storm and endorsed by HIM, APCE, a task force will work on various other national and global prayer networks, apostolic streams and networks, and then the wider Body of Christ to participate on a yearly basis.

## III. **The End Is the Beginning**

We come back to the starting point, return to the beginning, go back to square one, end up where you began, and complete a cycle. It is a time when we relook at our Assignments, Alignments, and our Accountability and make them fresh before the Lord.

### A. **The Ascension Produces Hope Solutionists.**

The long-awaited Hope Solutionist will be released on a level we have not known in past decades. Out of the Valley of Achor comes forth the Champions of Hope (see Hosea 2:15). I have been saying this year after year, but now we are there.

- B. It is the time when the **Hope Solutionists** will truly arise! These new breakthroughs and technologies will go into various aspects of life. Pinpointed military targeting capabilities, light and sound waves replacing some traditional medical healing approaches and techniques, restoring the wasteland of the earth in a prosperous oasis, the convergence of natural and supernatural healing movements, entering into the glory realm of God, and many other previously called “disruptive technologies” will be considered advancing the Kingdom.
- C. It is time for these “Hope Solutionists” to emerge into every sphere of society. **We are at a turning point when endings spark new beginnings.**
